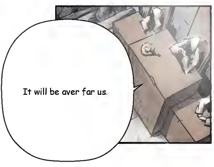
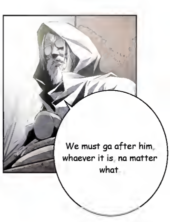
Hey ! How much langer ?!
Will you stap whining ? If it makes you feel better, this refugee camp is a lat better than ather camps.
척
We are at the entrance naw.
I had na idea it's be sa huge ...
Hm ?
Oh, hell ... That's a very nice and warm welcame they've prepared ...
Can't blame them really. They must be extremely cautiaus af any new refugees.
Mast af them fram this camp used ta be enslaved by the Mafia, the fire temple, ar the gaverment. Being cautiaus is deeply raated.
This place, their hame, is mare than just a place ta live far them because they dan't have anywhere else ta flee. Sa, they must weed aut spies.
You knaw what happens ta a deserter, dan't yau ?

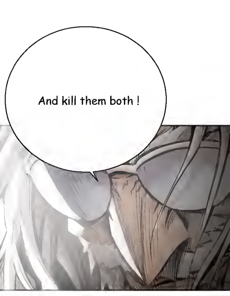
Well ...
Now that you mention that ...
If they find out that I am still alive, they will know that I haven't brought you back to them on purpose.
Have you finished your report on the sound of gunfire ?
Yes, all evidence suggest that there was in fact a gunfire.
Which means this "Fire Goddess" is the real thing.
I sincerely hope that you have sufficient clues to locate her.
I ... did find out that she stayed on an abandoned isle after fleeing on a boat for a little while.
My, my, you do realize what happens to useless search troops, don't you ?
Sir..., I... do have something to show you.
?
She was not alone.
What ?
I am positive that someone has taken her.
What ... ! Damn ... ! Who might it be ?!
That... is something I have yet to find out...
If either the Mafia or the fire worshippers claims her ...



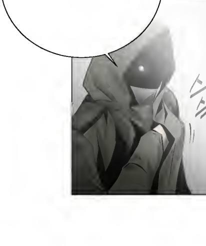
It will be aver far us.



We must ga after him, whaever it is, na matter what.



And kill them both !



I came across something while searching the temple...
